

Terms and Conditions for Stack The Flags 2022 – Challenge Creation

Thank you for your interest in submitting a challenge for STF 2022! It is important that you read these Terms and Conditions carefully. Please e-sign at the end of the form, and submit it with your challenge. For any clarifications, please email us at jts@tech.gov.sg.

By submitting your challenge, you agree to the following Terms and Conditions:

1. Eligibility

- a. This Challenge Creation is open to Singapore Citizens and Permanent Residents only.
- b. You declare that your challenge submission ("**Challenge**") is original and created by you. The Challenge must not have been previously published or used in any form in Singapore or anywhere in the world, or entered in any other competition.
- c. This form must be e-signed and submitted with your Challenge to jts@tech.gov.sg by 5th October 2022.
- d. If your Challenge is selected for use in STF 2022, you will receive a cash incentive of \$1,000. You may still enter STF 2022 as a participant, but you and your team shall not be eligible for any prizes awarded at STF 2022.

2. Confidentiality

- a. You declare that you have not disclosed the Challenge and/or its solution(s) (in whole or in part, including any drafts or iterations thereof) to any other person.
- b. You agree to keep the Challenge and its solution(s) confidential, and agree not to disclose the same to any person until after the end of STF 2022.

3. Challenge Requirements

- a. You declare that the Challenge shall come with the following documentation:
 - i. Challenge difficulty (Easy, Medium, or Hard)

Difficulty	Definition
Easy	Expect seasoned practitioners (two years of work experience in a technical role in Cybersecurity) to take at least 2 hours to complete the challenge
Medium	Expect seasoned practitioners to take at least 4 hours to complete the challenge
Hard	Expect seasoned practitioners to take at least 10 hours to complete the challenge

- ii. Flag submission limit (if any)
- iii. Challenge dependency (To detail if the completion of the challenge is dependent on another task/challenge)
- iv. Challenge setup (Instructions on how GovTech can deploy the challenge)

- v. Challenge description (Title and a brief description of the challenge on what the challenge is about, for the participant's reference)
 - vi. Challenge solution (Step by step guide on how to solve the challenge with an accompanying solve script if applicable)
 - vii. Challenge category (E.g. Web, mobile, cryptography)
- b. You shall be available to provide technical support before and during STF 2022. Such support can include fixing software bugs arising out of the Challenge. Before the commencement of STF 2022 on 2nd December 2022, you are expected to provide support within 1 working day. On the competition day of 2nd December 2022, you are expected to provide support within 3 hours. Failure to comply may result in a forfeiture of the cash incentive.

4. Intellectual Property

- a. In the event that your Challenge is selected for use during STF 2022, you grant to GovTech an exclusive, unrestricted, royalty-free, world-wide, perpetual and irrevocable license to use your Challenge, the relevant solution(s), and any modifications or calibrations of the Challenge and relevant solution(s) for the purposes of STF 2022.
- b. GovTech will conduct a playtest on selected Challenges before STF 2022. You grant GovTech the right to modify and/or calibrate your Challenge (if needed) at any time during or after the playtest.
- c. We will employ commercially reasonable efforts to ensure that your consent is sought for GovTech's use of the Challenge beyond STF 2022.
- d. You will be acknowledged as the creator of the Challenge.

5. You declare that:

- a. There is no legal or other obligation(s) which prevents you from submitting your Challenge and authorising GovTech's use for the purposes of STF 2022;
- b. You are the sole owner of your Challenge, including but not limited to the intellectual property rights in the same;
- c. No third party has any right, title, claim or interest in your Challenge;
- d. Your Challenge does not violate or infringe any copyright, trademark or other intellectual property rights of any person or entity, and does not violate or infringe on the moral rights, rights of privacy or other rights of any person or entity;
- e. You undertake to indemnify and hold GovTech, its employees and agents harmless against any and all liabilities, losses, damages, claims, injuries, actions, proceedings, expenses and costs arising from the submission of your Challenge.

- f. GovTech's decisions on all matters relating to or in connection with STF 2022 and this challenge creation shall be final and binding. GovTech is not obliged to give any reason or explanation as to why a Challenge is selected or rejected.

Acknowledgement

I acknowledge that I have read all points in this document and agree to all the Terms and Conditions set out above. I further acknowledge that any breach of the above Terms and Conditions may cause me to forfeit my incentive and STF 2022 prize (if any).
